**School Supply Santa Drive, August 1-30**

School Supply Santa started in 2008 when a need was discovered while having a conversation with a teacher in a local elementary about children that experienced extreme lack of school supplies needed for them to grow and learn and start the school year. The founder of School Supply Santa, Denise Kooiker, had a determined purpose and passion to help children in the local West Michigan communities. School Supply Santa passionately lives out it's mission "to deliver hope through the giving of the necessary supplies to school aged children, that would otherwise go without." Our prayer for each of these children being served is for them to know they are cared and loved for and not forgotten. Join us as we at Frontline join the School Supply Santa and collect school supplies from back packs to glue sticks and everything in between this August!
