### Congregational Meeting, August 16

There will be a congregational meeting after the morning service on August 16 at 11:20 am to vote on a proposal from the board to pay off the mortgage balance with the balance of the Terpstra estate legacy gift to Frontline. We will also be discussing and soliciting suggestions for future projects and funding options.

### School Supply Santa Drive, August 1-30

School Supply Santa started in 2008 when a need was discovered while having a conversation with a teacher in a local elementary about children that experienced extreme lack of school supplies needed for them to grow and learn and start the school year. The founder of School Supply Santa, Denise Kooiker, had a determined purpose and passion to help children in the local West Michigan communities. School Supply Santa passionately lives out it's mission "to deliver hope through the giving of the necessary supplies to school aged children, that would otherwise go without." Our prayer for each of these children being served is for them to know they are cared and loved for and not forgotten. Join us as we at Frontline join the School Supply Santa and collect school supplies from back packs to glue sticks and everything in between this August!

### Protection Policy Training

All volunteers who work with children at Frontline Bible Church are required to complete an application, have references and background checks completed and attend a protection policy training class in order to be certified. We have changed some minor items in our protection policy and are asking all existing children's volunteers as well as anyone who is interested in being involved in a children's ministry this fall to please attend one of the two scheduled trainings. The first available training will be available on Sunday, August 30, at 11:30 am (following the morning worship service). The second training for those who cannot attend the first one will be held on Sunday, September 20, at 12:30 pm (following Bible Hour). Lunch will be included for the second training. Please be assured that completing this training does not mean you are committed to working with a children's ministry at this time but will allow you to in the future if you so desire.
