Frontline Forums

There will be a Frontline Forum today following the morning worship service, to discuss the new proposed budget as well as any other questions which the congregation may have for the board. Anyone who considers Frontline their home church are welcome to attend. (Membership is not required.) You will find the proposed budget in your mailboxes. If you do not have a mailbox, there will be extra copies at the Forum for your use.

Protection Policy Training

All volunteers who work with children at Frontline Bible Church are required to complete an application, have references and background checks completed, and attend a protection policy training class in order to be certified. We have changed some minor items in our protection policy and are asking all existing children's volunteers, as well as anyone who is interested in being involved in a children's ministry this fall, to please attend one of the two scheduled trainings. The first available training is today at 11:30 am (following the morning worship service). The second training for those who cannot attend the first one will be held on Sunday, September 20, at 12:30 pm (following Bible Hour). Lunch will be included for the second training. Please be assured that completing this training does not mean you are committed to working with a children's ministry at this time but will allow you to do so in the future if you so desire.
