Protection Policy Training

All volunteers who work with children at Frontline Bible Church are required to complete an application, have references and background checks completed, and attend a protection policy training class in order to be certified. We have changed some minor items in our protection policy and are asking all existing children's volunteers, as well as anyone who is interested in being involved in a children's ministry this fall, to please attend this training. Our next training session will be held on Sunday, September 20, at 12:30 pm (following Bible Hour). Lunch will be included. Please be assured that completing this training does not mean you are committed to working with a children's ministry at this time but will allow you to do so in the future if you so desire.
