SUCCESS — THAT — MATTERS™

Have you been thinking...

There's got to
be more to life
than this!

If you're like most men, every day is a balancing act. We juggle large loads: the demands of work and/or school; the

loves of our lives: wife; kids; grandkids; friends; church. And on and on it goes. Do

you ever wonder – in the middle of all your juggling – if there's more to life than this? Do you ever feel like life is a never ending quest to keep putting one foot in front of the other? Whether that

describes your **current** season of life or you want to **avoid** such a season, join us as together we explore living a life of **Success That Matters.**

Together, with world-class speaker and men's ministry expert Brett Clemmer and other men from around West Michigan, we will hone in on what it looks like to find true success and a deeper level of purpose for our lives. No man **plans** to "fail" at life, but the reality is that many men; many Christian men do. Take advantage of this opportunity to pursue a life of **Success That Matters!**
