PRAISE

eMail Prayer@FrontlineBible.com; call Rachel Heyboer at (616) 335-1932; or call or text Jennie Bair at (616) 890-3815.

CATHY PIERCE is thrilled that the recent evaluation of her legs for blood clots came back clear and she passed a recent TB test. Having both of these tests "clear" allow her transplant team to begin donor testing for a new kidney. Please pray nothing unforeseen interrupts the process and God directs the team to the donor He has chosen soon.

Last Sunday, **KEN LOOSE** was feeling well enough to join Frontline in Worship. If you see Ken motoring around, check out his new neck jewelry and bright smile.

The Holy Spirit is moving and changing people in our midst. Praise the Lord that in the last few weeks several youth and adults have joined the Family of God by placing their faith in Him as Savior.

Please uphold **VENIIS MATTHEWS**, Charlie and their children in your prayers. Veniis received news that the biopsy done last week revealed she has thyroid cancer. Pray for her doctors as they determine the next course of action to be taken.

SCOTT BAIR had an arterial fibrillation episode last Monday night. The CT scan from Tuesday showed some other concerning issues that need to be addressed in the days and weeks ahead.

A big THANK YOU to all those folks who helped with, donated to or attended the **CHRISTIANITY OUTDOORS FUND RAISING SALE**. The CO ministry continues to grow and bring God's Word into the community, and that always takes funds to cover expenses. Again, thank you! Roger Hoeker, Christianity Outdoors.
