KEN LOOSE had a setback after his recent spinal fusion. He was admitted to Metro Hospital with a serious wound infection at the graft site in his hip. He has since had surgery and is on very strong antibiotics. At present Ken is still at Metro but hopes to be transferred to Mary Free Bed soon for more rehab and wound care. Please keep Ken and Shelly in your prayers as they continue walking by faith through this journey.

CAL IDEMA had knee replacement surgery last week and is now in physical therapy. Please thank God with him for less pain and ask God for a swift recovery and perseverance.

VENIIS MATTHEWS had an appointment to see a surgeon on May 11th to determine when surgery will take place on her thyroid as part of her cancer treatment. Please ask God for strength, patience, and encouragement to meet each day as she waits.
