ADULT BIBLE HOUR provides an opportunity for adult learners of Frontline to deepen their knowledge of God's Word, integrate it into every area of their lives, and become better equipped to make an eternal impact on their frontline.

Adult Bible Hour meets from 11:15 am to 12:20 pm every Sunday, September thru May and is available to all adults. This fall we will begin three new classes focusing on Biblical Studies, Christian Living, and Marriage and Family.

PRAYER REQUESTS: Pray for people to be willing and available to teach when asked; for support for those who make the commitment to teach; and for a greater desire from individuals to attend the classes available and make a commitment to follow through on what they learn.

OFFERINGS OF PRAISE: We are thankful for those who were willing to accept the opportunity to teach when they were asked; and for the availability of RightNow Media allowing us to seek and use "facilitators" rather than "Biblical scholars".

HOW DOES ADULT BIBLE HOUR MAKE A DIFFERENCE ...in the lives of those serving?

"The difference I've seen in my life spirituality from teaching Bible Hour is the desire to go deeper into Scripture. The challenge that class participants presented with their questions and discussions caused me to dig into what Scripture really does (and doesn't say) regarding the concepts I was striving to present."

"It helped me grow by allowing me to see that Bible hour created community and fellowship for those who were not plugged-in in other places. I saw people become comfortable at church who weren't prior because they had friends and a safe place to ask

questions. I saw people come together to help out others who were in need."

"I appreciated the opportunity to link my work/career with ministry opportunities. It reminded me that God uses us wherever we are. I have always felt that working in the mental health field is an opportunity to be the hands and feet of Christ and I was blessed to teach people about this"

...in the lives of those being served?

"I feel so much closer to God! After taking the Bible Hour class Watch Your Tongue I was about to say something I wasn't supposed to say about someone and it felt like God came into my body and stopped me from saying it. It helps me feel He is working in me."

"Being in the class I was attending helped me understand the background of people in other religions and how to be a better witness to the truth of Christianity when I have the opportunity to speak to them."

FROM JOHN RECORDS, Adult Bible Hour Coordinator: If you are willing to teach a Bible Hour class, it will be a commitment for only that specific class. You will have the opportunity to teach other classes in the future but are not obligated. I would also welcome your ideas for future classes, and would love to hear about a class or topic you would like to teach.

If you have questions, or would like more information about serving in Adult Bible Hour, please contact John Records, Adult Bible Hour Coordinator via Staff@FrontlineBible.com.
