FRONTLINE'S BUILDING MANAGER is responsible for all ongoing maintenance, repairs and organization of the structure and components at Frontline Bible Church, including custodial services. The ReAdey Team of volunteers assists with maintenance and repairs.

PRAYER REQUESTS: Pray God continues to provide the necessary resources, funds and volunteers to keep the building to the standards required to fulfill our needs.

PRAISES: Praise God for providing the funding necessary for special projects to help meet the mission of the church as well as live out our core values.

HOW DOES THE BOARD MAKE A DIFFERENCE ...in the lives of those serving?

"As the Building Manger, taking care of the maintenance and repairs at Frontline and keeping it clean, I can serve God and our congregation in a visible way."

"I enjoy being involved with the ReAdey Team because it keeps me involved, helps me feel like I'm really helping and saves the church money when we can keep up with projects and don't have to hire things out."

...in the lives of those being served?

"Keeping the building clean and organized is important in making first impressions to newcomers and others who use the building, as well as our own congregation and shows we are good stewards of what God has given us."

FROM LYNN THOMAS: The time required to clean and maintain our building and its components has increased significantly with change and additions. Everyone's help would be appreciated in accepting personal responsibility for care of the facility when you're using it. The building is cleaned regularly on Mondays and Fridays, so helping to keep it presentable during the week, especially the kitchen and bathrooms, reflects positively on everyone. You can help simply by putting your trash in containers, returning items to their proper place (If you don't know, ask!), and cleaning up behind yourself whenever possible.
