

T A K E A Closer Look

FRONTLINE'S CARE TEAM MINISTRY

has a four-pronged approach to caring for our congregation: offering prayer; mailing cards; providing meals; and scheduling visitation. It gives **us** the opportunity to grow to be more like Christ through service while providing for the physical, emotional, and spiritual needs of our church family.

PRAYER REQUESTS: With some new changes happening within our meal ministry, please pray those changes will be well received and help us be more effective in the area of providing meals. ❤️ Please pray for someone to enthusiastically embrace leading our visitation ministry and for the volunteers we'll need to be effective.

ITEMS FOR PRAISE: We do currently have a dedicated group of volunteers who enjoy serving others and our Lord.

HOW DOES THE CARE TEAM MAKE A DIFFERENCE ...in the lives of those serving?

"It makes me more aware of what others are going through so I can pray for them more effectively."

"It has given me the opportunity to know more of our member's and regular attendee's needs and with that I have enjoyed learning about being more intentional about praying for God's people."

...in the lives of those being served?

"I have been so blessed to be on the receiving end of the meal ministry while recovering from surgery. I've seen women who took the time to think about and prepare delicious meals and then deliver them to my home. My family and I had healthy meals for two weeks and we are extremely grateful and overwhelmed by the love and care we received. We have seen the church in action."

"The meals were so yummy! It was such a blessing to get the cards in the mail, and it just brightened our day so much. The visits from people were such a blessing also, especially when you're not allowed to go out for a few weeks. May GOD bless them!!"

NEEDS: Funds! There are times when individuals would like to provide a meal for someone but lack the funds to do so. It would be wonderful to be able to provide those individuals with

funds to purchase food and make a meal so they also can experience the joy that comes from providing for others in this way.

If you have questions, or would like more information about serving on the Care Team Ministry, please contact Jennie Bair or Pastor John Lowder, Co-Coordinator of the Care Team Ministry via Staff@FrontlineBible.com.
