

# TAKE A Closer Look

**CHILDREN'S BIBLE HOUR** seeks to lead children into a relationship with Jesus Christ through a curriculum which understands how a child's maturity and growth impact their changing spiritual development. It meets from 11:15 am to 12:20 pm every Sunday, September thru May and serves children from age 3 thru 5th grade.

**PRAYER REQUESTS:** Pray we can develop a more consistent curriculum that will transition between grades and prepare our kids for middle school; that our kids will respond well and be respectful; and – most importantly – that they will commit their lives to Christ and understand what that means.

## **HOW DOES CHILDREN'S BIBLE HOUR MAKE A DIFFERENCE ...in the lives of those serving?**

Our Bible hour teachers spend time throughout their week studying their lesson plans, and then are blessed with a front row seat watching children learn and grow from what they have prepared. Being a Children's Bible Hour teacher is a humbling and very rewarding experience.

"I get such a blessing when I hear from parents how much their kids enjoy the things they are doing in class, and watching them put the Bible and it's lessons into motion in their young lives"

"Serving in Bible Hour teaches me to love and be honest like a little child"

## **...in the lives of those being served?**

There isn't anything more important than helping kids come to a saving knowledge of Christ, and/or grow in that relationship while learning about the stories of the Bible. They have fun while doing it through activities, crafts and other projects. Our kids

are learning not only about the Bible and Jesus, but they are learning to live like Jesus did and help serve those around them.

"We are so thankful for the Children's Bible Hour! Our kids come home and are able to retell the Bible stories they hear and we often hear them singing their praise songs throughout the week. This foundation of biblical truth lines up with our family's desire to have all of our kids really know and understand how much God loves them and to make Him known in their hearts! Thank you for the workers who are involved in this ministry!"

"Children's Bible Hour is such an important supplement in teaching my daughter Bible stories and in the development of her independence! She looks forward to it every week! I love hearing her retell the things she learns from weekly Bible stories and activities."

"The Bible Hour program has helped instill events of the Bible into our kids everyday learning. Sometimes they've even corrected me – lol. Thank you so much for all of the leaders!!!"
