

T A K E A Closer Look

CHILDREN'S CHURCH uses Bible stories to help children, ages 3 thru kindergarten, learn the foundational truths that: God made me; God loves me; and Jesus wants to be my forever friend. It meets from 9:45 am until the close of the adult worship service every Sunday, year round.

PRAYER REQUESTS:

- That children would come to know Jesus for salvation;
- For leaders and helpers to be equipped through our ministry to teach about God;
- For growth of our ministry with more children attending, and more families being involved; and
- The addition of a new teacher and new helper in this coming year.

OFFERINGS OF PRAISE:

- For our fantastic team of teachers and helpers;
- For two new teachers and one new helper;
- For those who have met our material needs in the past; and
- For our curriculum, which will also be used in the Three thru Five Year Olds Bible Hour class. We're thrilled for our little ones to be able to better learn concepts through repetition and continuity.

HOW DOES CHILDREN'S CHURCH MAKE A DIFFERENCE

...in the lives of those serving?

"I love working in children's church because I learn more about our kids and love interacting with them while they sing and, say the verse and listen to the Bible story. They learn so fast."

"Helping as a teacher-helper Children's Church has given me better insight into how much time and effort is poured into

my kids every week. It has also given me opportunities to get to know other kids and parents I didn't previously know. Most importantly, it gives me the chance to simply serve-which is what God calls us to do. I'm looking forward to helping again!"

...in the lives of those being served?

"My daughter's involvement in Children's Church over the past year has been a continued blessing. She gets excited about the Bible stories she hears, and she is starting to put more pieces of the Bible together because of them. She has also made many little friends in her class, and looks forward to seeing them each week"

"I liked listening to the stories about Jesus!"

From Jill Anderson: We invite parents and others who are interested to come at the start of each month and see what our children will be learning throughout that month. We use a comprehensive curriculum from Orange Curriculum called "First Look". More information is available at ThinkOrange.com.
