

T A K E A Closer Look

FRONTLINE'S COFFEE MINISTRY brings our church family together for fellowship and an opportunity to build relationships – over a simple cup of coffee. The Matthews have coffee ready for before our Sunday morning worship service, and prepare coffee and snacks for between the service and Bible Hour.

PRAYER REQUESTS: Charlie and Veniis Matthews and their kids would love to have another family or for individuals to come along side and share in their ministry. They are faithfully at Frontline from 9:00 am until the last cookie is served and the kitchen is cleaned all but a few Sundays throughout the year.

HOW DOES THE COFFEE MINISTRY MAKE A DIFFERENCE ...in the lives of those serving?

“Serving in the Coffee Ministry has helped my family learn the blessings of serving as well as how to work as a team.”

...in the lives of those being served?

All our regulars look forward to coffee time, and to the fellowship that is a natural outgrowth of sharing a cup of coffee. We also pray our regular attendees make coffee time an opportunity to meet visitors and make them feel welcome.

From Veniis Matthews: “It’s been awesome to build new relationships because of our service. This ministry has provided a way for my husband to meet other men who are like minded, and I have made relationships stronger. Even our children have formed new relationships due to their involvement in serving.”

The coffee ministry provides an opportunity to serve and get to know people through a minimal commitment. Making and serving coffee is easy to learn, and is a fun ministry for an entire family to participate in.

If you have questions, or would like more information about serving in the Coffee Ministry, please contact Charlie and Veniis Matthews, Coordinators of our Coffee Ministry via Staff@FrontlineBible.com.
