

TAKE A Closer Look

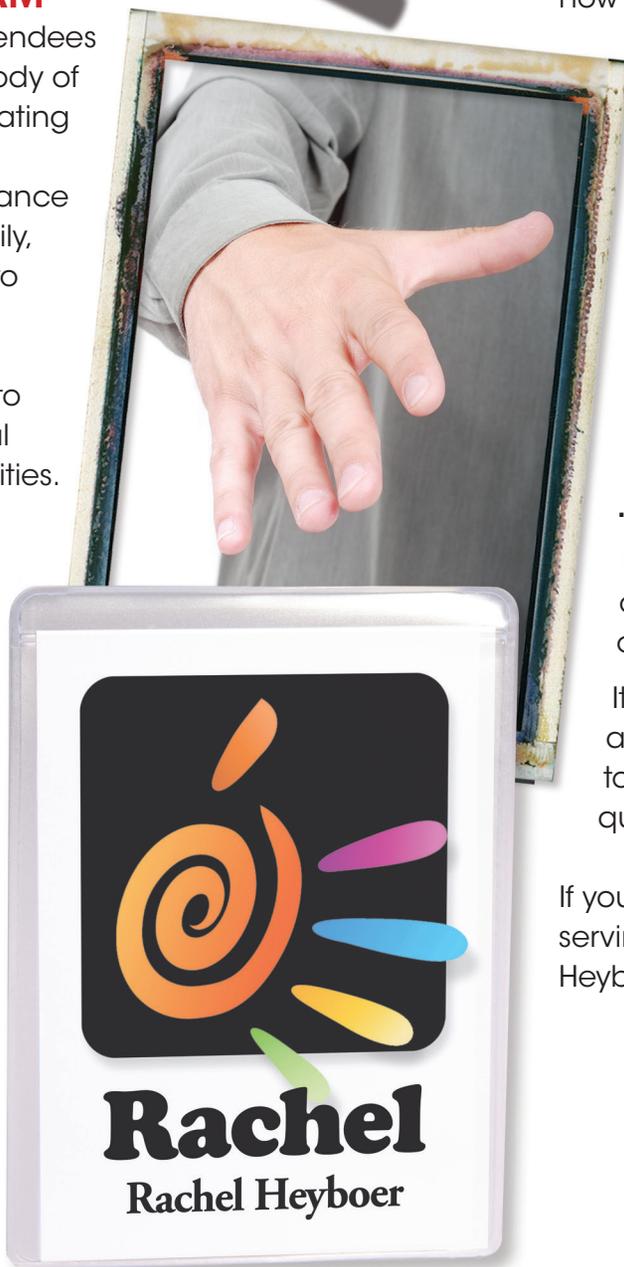

Frontline's **CONNECTION TEAM** strives to bring visitors and new attendees into purposeful contact with our body of believers in hopes of better acclimating them to our church. Every Sunday morning, our door greeters, attendance host, ushers, hosts, connection family, and Information Center host seek to assist them in finding appropriate, immediate assistance when they come through the door, and work to encourage them to pursue spiritual growth through the Next Step activities.

PRAYER REQUESTS:

That we would have enough staff to accomplish our purpose more effectively.

That through our words of encouragement, a warm smile, and a sincere welcome, people would be drawn into a closer relationship with Christ through Frontline.

PRAISES: The Connection Team leadership is so grateful for the commitment of the team members in touching lives and making a difference here at Frontline.

HOW DOES THE CONNECTION TEAM MAKE A DIFFERENCE ...in the lives of those serving?

"Serving on the Connection Team has helped me be more comfortable with talking to people I don't know and learning how to make them feel more welcomed."

"The Connection Team has offered me the ability to learn more about myself, my strengths and my weakness all by just listening to God's calling to lead a ministry team. I have enjoyed watching others in the ministry grow and trust God more as they reach outside of their comfort zone as well."

"Being on the Connection Team, I get to now routinely greet and chat with our regular attendees giving me the opportunity to know people on a more personal level instead of just being a name."

...in the lives of those being served?

New attendees have the opportunity to receive personal care and attention that will hopefully help them find a church family they can call their own.

It is great to see a smile on someone's face when you extend a hand to say good morning, or for a first time attendee to know there is someone who can help guide or answer questions.
