

TAKE A Closer Look

FRONTLINE WOMEN provides opportunities for women to connect and grow. We provide fellowship and fun through connection events. We offer NextStep studies and Soul Purpose groups to help women grow in their spiritual journey.

PRAYER REQUESTS: Pray for... women to have a continued desire to take their NextStep. ❤️ ...more women will be involved with Soul Purpose discipleship groups. ❤️ ...women, whether new to Frontline or who have attended for years, would feel connected with friendship, encouragement and fellowship with other women. ❤️ ...God would do a mighty work in the lives of those who attend our upcoming 2018 retreat, April 13 thru 15.

HOW DOES FRONTLINE WOMEN MAKE A DIFFERENCE ...in the lives of those serving?

The leadership team has seen women's lives changed as they have stepped out in faith to lead a connection event, Bible study or be a leader at our yearly retreat. Women have developed deep relationships with other women, encouraging them, challenging them and being accountable with one another.

...in the lives of those being served?

"Being involved in a Soul Purpose discipleship group – both as a participant and as a leader – has taught me so much about friendship, discipleship, and growing in my walk with Christ. As women, we crave relationships and belonging. Soul Purpose helps us walk alongside one another, develop deeper relationships with one another, and inspire each other to grow more like Christ. I truly believe that the Soul Purpose has been a major part of my spiritual growth over the past few years."

"I have enjoyed attending and leading Bible studies at Frontline and getting to know women of all ages in a deeper, closer way. The retreats have been great, and the focus of all activities is bringing us closer together in our walks with the Lord."

NEEDS: Frontline Women offers vital assistance to our young moms by offering paid childcare during our daytime studies. If you like children and have a couple hours to spare during the week, please consider seeing Kathy Campbell to inquire more about this service opportunity.

OFFERINGS OF PRAISE: I am thankful to work with a dedicated leadership team. We encourage each other to stretch beyond comfortable and use our talents to serve God to the fullest. And I am thankful for the women of Frontline who encourage us through their enthusiasm, participation and partnering to minister to women in our church and at Grace's Table.
