

TAKE A Closer Look

FRONT AND CENTER

is an outreach of Frontline Bible Church, and happens the third Friday of every month, from 7 to 10 pm. It gives our local West Michigan community a warm, low-pressure, family-friendly environment for showcasing their creative talents and being exposed to God in a safe, non-churchy atmosphere. It also allows people to enjoy the talents and gifts of others.

PRAYER REQUESTS: We need more people involved who are willing to invite friends and family – and especially the un-churched so they can enjoy the night and be exposed to a solid, Christian, “family” environment.

HOW DOES FRONT AND CENTER MAKE A DIFFERENCE

...in the lives of those serving?

Providing a low-pressure environment to use their creative talents... “I’d say the thing that had the biggest impact on us was the non-judgmental atmosphere, especially since it was the **first** place we ever performed as a band. We didn’t know if we were good or not, but when we walked in we knew people were gonna be nice no matter what. I guess it just helped with our confidence as performers because everyone has been really nice and encouraging every month we’ve been there.”

...in the lives of those being served?

Giving them a fun night to connect with people who wouldn’t normally come to Frontline... “I’d use the word ‘Opportunity.’ It’s an opportunity to provide something for others; an opportunity for ministry – a different ministry – something out of the ordinary. An opportunity to invite others, like this person I met them at a coffee shop.”

NEEDS: We could really use some 15 to 20 foot extension cables.

OFFERINGS OF PRAISE: Front and Center is a great night and a lot of fun! We’d love to have you come by and check it out sometime! Snacks, fellowship, great music, and connection with people from the local West Michigan community. – Ryan Vegh, Coordinator of Front and Center
