

TAKE A Closer Look

Frontline's **Jail Ministry** strives to touch lives of inmates in Kent County Jail with Christian love by bringing hope and encouragement and through the presentation of the Gospel. This ministry also provides a unique opportunity for those serving to be blessed by being the hands and feet of Jesus.

Our Jail Ministry currently serves only the female inmates in Kent County on the first Sunday of every other month from 6:00 to 8:00 pm.

PRAYER REQUESTS:

We especially covet your prayers on the days we go to the jail. Please pray the women we engage with will have hearts receptive to the Word of God, and that we will be used by Him to demonstrate the unconditional love of Christ, and to speak words of truth.

Please pray an opportunity will arise to serve the men at Kent County; that volunteers will come forward and the details will be worked out.

PRAISE:

We are thrilled that God will be bringing two new members to our team beginning in January of 2018.

HOW DOES THE JAIL MINISTRY MAKE A DIFFERENCE ...in the lives of those serving?

"The Lord is growing my faith by trusting Him for the courage, sacrifice of time, countenance, attitude, words, singing, verses to share, and knowing that 'my story' – as ugly as it may seem to me at times – can be used to encourage others with all the glory going to the Lord Jesus Christ!"

"Going into the Kent County Jail was kind of intimidating at first, but I knew I was going to love it after the first time. The team is full of women who share their hearts in a genuine way which makes a big impact on the ladies in the jail."

"It just makes me realize most of the stuff going on in my life is nothing compared to what these women are going through. I would like to think it makes me more thankful."

...in the lives of those being served?

"Each time we visit the jail we hear words of appreciation for every part of our visit, including for something as simple as seeing colorful clothing. It's obvious the women there look forward to our visits and are blessed by them."

From Kathy Domsic:

We love having the opportunity to invite the women we serve to Frontline. Many of the women are looking for ways to "stay on track" when they get out. We always encourage them to attend a church and be sure they know where to find Frontline if that's where they choose to go. We are blessed to know that we can invite them and know the people at Frontline will warmly welcome them.
