

# TAKE A Closer Look

**FRONTLINE MISSIONS:** We believe all Christians have a responsibility to be engaged in world missions as Christ's ambassadors, spreading the message of God's grace. Engagement comes in many forms: prayer; financial support; mission trips, here and abroad; mission projects and partnerships; encouragement of missionaries; etc. Frontline currently partners with missionaries in almost a dozen countries, as well as local ministries to help others know and make known the person of Jesus Christ. Join us as we seek to make an eternal impact!

**PRAYER REQUESTS:** Pray for wisdom for the mission committee in choosing which missionaries to financially support. ● Pray for the church to be engaged with our missionaries and their ministries.

**ITEMS FOR PRAISE:** The Missions Committee has seen more intentional engagement with missions from our church. ● Missionaries are consistently making positive comments about Frontline's involvement as a church.

## **HOW DOES MISSIONS MAKE A DIFFERENCE ...in the lives of those serving?**

"The members of the Missions Committee are very committed in what they do. The secret of ministry is that the more we invest in the lives of other, the more we find fulfillment in our own lives. The ministry of the Mission Committee is very personal to committee members."

"Serving! Serving at the Missions Committee give us the chance of thinking of the needs of missionaries and their mission field, taking the focus off our immediate needs. To see God work in these remote places gives us peace and understanding that God is at work always...everywhere!"

## **...in the lives of those being served?**

"Frontline's consistent partnership has been a reminder of God's faithfulness in a season of growth at Grace's Table. Through your support we have seen 8 mamas join our weekly Bible Study this year. These young girls are searching out the heart of God and asking hard questions." – Lisa Anderson, Grace's Table

"Prayer has been important to give energy for us to continue. It is important and encouraging. It also gives us a platform to speak to you about knowing what's going on in Africa." – Simon Mwanamoya

**NEEDS:** Especially with the Missions Conference coming in March, we need: Housing for missionaries. ● Out-of-church meetings with missionaries for them to tell their stories. ● Small blessings for missionaries like gift-cards, encouraging letters, and personal investments. And then: Financial monthly support of missionaries. ● Continued financial support for Frontline members who go on mission trips. ● We are maxed out in how many missionaries we give monthly support to. We would like to add more missionaries.

If you have questions, or would like more information about serving in Frontline Missions, please contact Jim Moore, chairman of the Missions Committee via [Staff@FrontlineBible.com](mailto:Staff@FrontlineBible.com)
