

# TAKE A Closer Look

Frontline's **Nursery** is targeted toward parents with infants and toddlers; to allow them to participate in our various worship activities knowing their little ones are loved, safe, and well taken care of. It's staffed every Sunday morning from 9:30 to 11:10 am as well as during Bible Hour.

There is no hard and fast rule about the ending age of leaving your child(ren) in the Nursery. We realize children all develop at different rates and, so you make the call when your child is ready to enter our Children's Church or Children's Bible Hour for 3 year olds. Please feel free to leave your child(ren) in the Nursery as long as you wish. Also, if at any time you - as parents - wish to stay in the Nursery with your child(ren), you are invited and encouraged to do so.

## **PRAYER REQUESTS:**

That God would be glorified in this ministry.

That God will continue to provide the workers needed to keep the Nursery running smoothly, specifically more junior workers age 8 and older.

## **PRAISES:**

We are so excited with all the new babies who have joined our Frontline family lately!

God has been gracious to give us wonderful volunteers who have tender hearts toward children and love to serve God in this ministry.

## **HOW DOES THE NURSERY MAKE A DIFFERENCE ...in the lives of those serving?**

"It is a blessing to be able to watch these children so their parents can hear the word of God."

"Serving in the Nursery has allowed me to connect with not only the little ones, but their parents as well. God has shown me that we all need each other and we can learn from each other."

## **...in the lives of those being served?**

"The Nursery ministry has meant a huge blessing to me and my husband. It means that we can enjoy a service knowing our child is in a safe loving environment having a great time playing and making new friends!"

"I'm very thankful for the Nursery workers who take great care of my little one. I appreciate the care that the Nursery volunteers take the time to get to know my child and to appreciate the uniqueness of each child in their care."

"I love being able to put my child in the Nursery on Sunday mornings. I know she is safe with the adults providing care and having a blast with the other kids. It's also wonderful to be able to worship and listen to the sermon kid free. The Nursery has been a blessing to me!"
