

T A K E A Closer Look

FRONTLINE'S PRAISE BAND is designed to lead God's people in genuine worship – in spirit and in truth, and equip the members of His Body, according to their God-given abilities, to do the same.

The Praise Band holds rehearsals on Thursday evenings and Sunday mornings for those leading that week, and there are many different roles available for those who want to be involved: as musicians and/or vocalists, or running video, lights or sound.

PRAYER REQUESTS: We ask that you pray we would continue to have hearts of worship before God and effectively lead His Body in worship.

PRAISES: We are praising God for the willingness of a great team from both inside and outside of Frontline who give of their time and creative input to do ministry together. And we're thankful for the opportunity to equip several others to lead worship.

HOW DOES THE PRAISE BAND MAKE A DIFFERENCE ...in the lives of those serving?

"God has put a desire to sing in my heart, and Praise Band offers an outlet to make praise with other musicians."

"It has brought me into a place where I can use my gifts to honor God and give Him worship."

...in the lives of those being served?

"I am enjoying the different styles of music, hymns, choruses and newer songs that are taught to me! I love that the music prepares us to worship because it relates to the message! I love the energy and sincerity of those leading worship."

"I've always loved music. The Praise Band leads in worship with meaningful songs and hymns."

NEEDS THE CONGREGATION COULD PROVIDE:

The Praise Band would love to have more people! We especially need help with audio/visual, and sound. We are also looking for more drummers, acoustic guitar players, male vocalists and piano players.

If you have questions, or would like more information about serving in the Praise Band, please contact Ryan Vegh, Worship Coordinator via Ryan@FrontlineBible.com.
