WARM BLESSINGS provides winter hats, gloves, scarves and handmade gifts for the homeless and others in need to be delivered during the months of September through April. Volunteers need only know or be willing to learn how to knit, crochet or use a loom, though we also welcome donations from those willing to purchase items for those we serve, or purchase yarn for those serving. You can work at your own pace, in your own home or as a group, and yarn and patterns are provided whenever necessary.

Our "blessings" serve babies through adults from Metro Hospital's newborns, as well as Mel Trotter, Buist and Dégagé Ministries.

PRAYER REQUESTS: Pray that those who receive our items would understand that **they** are a blessing from God, and they would want to know Him as a result of receiving these gifts.

HOW DOES WARM BLESSINGS MAKE A DIFFERENCE
...in the lives
of those serving?

"It helps me to know that people are warm. Also I love being obedient to something God wants me to do for others."

...in the lives of those being served?

"Thank you for your kind gift of baby hats. Gifts such as yours make a difference in the lives of our patients. With the help of your gift, we can continue to provide the care our community has come to expect. Once again, we greatly appreciate your support and generosity toward Metro Health Hospital."

"Thank you for the beautiful knitted items. We appreciate your ministry and your partnership with us." – from Shirley at BCHC

From Rose Holben: God tells us in His Word to go and help those in need and that is what our ministry tries to do. Deuteronomy 15:11 says, "For there will never cease to be poor in the land. Therefore I command you, 'you shall open wide your hand to your brother, to the needy and to the poor in your land.'" Serving the Lord in this way is just one of the many things we can do for Him. We don't always see the responses of the people we donate to, but we do see the responses of the leadership of the ministry we donate to. They are always so happy to receive the items for the people they serve.
