

TAKE A Closer Look

Frontline's **Youth Group** exists to provide a spiritually challenging environment where our students become equipped to take their **NextStep** as counter-cultural followers of Jesus Christ

through discipleship, community, and service. Grades 6 thru 12 meet Sunday evenings from 6:30 to 8:00 pm, Labor Day thru Memorial Day. Summer meetings are bi-monthly and vary in location. Our students also have opportunities to attend retreats, community events, and share in different mission experiences.

Pray our leaders can stay encouraged even when they don't always see spiritual fruit produced in the students.

PRAISE:

Our students have been consistently inviting and bringing their friends to youth group, so our numbers have slowly been growing.

Some students have shown they can be leaders to those around them.

HOW DOES YOUTH GROUP MAKE A DIFFERENCE ...in the lives of those serving?

"We have a great group of volunteer leaders who are not only investing in the lives of the students but also pushing themselves in their own spiritual growth so they can continue to pour out God's Word. Our leaders are being challenged in their leadership as they continually learn how to share their lives with students!"

"Serving in youth group gives me the opportunity to take what I have learned from mentors, my personal time with Christ, and my experiences and share them with kids going through the same situations I once did. Through that, I learn how to be a more effective Godly influence not only with those I encounter in youth group, but in everything I do."

"Being a youth leader has challenged me to grow in my faith. I have really had to think about what I believe and why I believe it so I can be there for our students when they have questions. "

....in the lives of those being served?

"Attending youth group has opened my heart up to other Christians as I play games, listen to discussion, and pray for my friends. Youth group is a safe, encouraging place for me to come and become a stronger, more equipped disciple of Jesus! The leaders show a huge amount of love to us, and continue to help me grow as a friend and a Christian."

"Gives me a better understanding of the Bible and I feel it has brought me closer to God."
