

Mission Support Financial Request

The Mission Committee is excited you have chosen to commit to being involved in missions. There is no work more important than sharing Christ and winning hearts for the Lord. We ask you provide us with the following information for our review. We receive many requests for financial assistance, and while we desire to support all, we have finite dollars. The information you provide will help us prayerfully and carefully evaluate your mission and need in tandem with our Guidelines for financial support. If you should have questions, please contact one of our Mission Committee members: Jimmy Moore, Chair; John Mattias, Treasurer; Paula Lenger, Secretary; Greg and Nan Bunch; Andrea Campos; Amy Riemersma; or Lauren Rimersma
