

Your FRONTLINE MISSION MOMENT

In planning for our **2012 Missions' Conference** – coming February 19th through 26th – we want to incorporate stories from any mission trip(s) **you** may have been on! Please share with us where you've been, what organization you worked with, when you were there, and anything else of interest. We'd love to hear an anecdote from your trip: something you learned; a way God worked during your trip; how the experience changed you; something funny that happened; and/or even the strangest thing you ate. And if you have them, please also include a photo or two from your trip (They don't have to be of you. Put your name on the back so we can return them.).

Fill up this page – back, too, if you want – even attach pages if you need to – and place it in Gretchen Johnson's mailbox. Gretchen can also answer any questions you may have.
