Rocking the Roles

Submission is a way of telling your husband, “I believe in you! I’m with you! You can do it!” It’s a way of keeping him the leader, even when he doesn’t want to be the leader anymore. You’re helping him become what God wants him to become...

Rocking the Roles

... As he struggles, as he attempts – sometimes feebly and sometimes boldly – to give structure and clarity and direction to your family, submission is a way of validating his role. By it you say, “You’re the servant leader here, and I’m behind you all the way!”

A Few Thoughts:

- When seeking a mate, make sure he is a man worthy of submission.

A Few Thoughts:

- When seeking a mate, make sure he is a man worthy of submission.
- If you want to do this right, you need to learn from the right people. Titus 2:3-5
