

## PRAYER GUIDE for Byron Days Community Worship

### Monday

Pray for the Byron Center Supervisor, Don Tillema, and the rest of our leaders. Pray for those who have worked hard to plan Byron Days 2023.

### Tuesday

Pray for the businesses in downtown Byron Center and all of their staff during Byron Days. It will be a busy time especially with staffing shortages.

### Wednesday

Pray for all of the churches who are involved in various activities this week. May they be the hands and feet of Jesus and may the Holy Spirit work through them to reach our neighbors.

### Thursday

Pray for those in final stages of preparation for the 5K and for the parade. Also pray for the musicians and staff involved in the concerts throughout the weekend.

### Friday

Pray for the hearts of those who attend the concerts and worship services throughout the weekend. May they see and hear the words of Christ spoken to them.

### Saturday

Pray for the musicians, pastors, prayer warriors, and staff who are leading concerts and worship services today and tomorrow. May they be filled with the spirit and used to bring the gospel message to others.

### Sunday

Pray for God's spirit to move in and among his people today. May all who gather for worship truly be few by his word. If any in attendance don't know him personally, may God work within their hearts through his people.
