Lessons from the book of James

A photograph of a winding road through a forest, overlaid with a green-to-brown gradient. The road curves from the bottom center towards the right side of the frame. The trees are mostly bare, suggesting a late autumn or winter setting. The overall mood is serene and contemplative.

Your Challenge:

PRACTICAL
Faith

Are you honest with others? Open with others? Willing to rescue others?

Has the Holy Spirit prompted you to do something about one of these areas?

Don't just have a "personal faith".

Live out your faith with others.

"The greatest single cause of atheism in the world today is Christians who acknowledge Jesus with their lips and walk out the door and deny Him by their lifestyle. That is what an unbelieving world simply finds unbelievable."
