

**WHIRLWIND SOUTHEAST ASIA TRIP** ~ Ben Anderson is taking TCM Board members Nathan Bullock (Development Director) and Pastor Troy Sergey of Grace Church, Indianapolis to visit 6 TCM fields in 16 days! Pray for safety, health and forging of mutually encouraging relationships between them and the missionaries and national workers they meet.

**ETHIOPIA** ~ Reagan & Jemima Mejia and their kids had to exit Ethiopia to apply for a work permit. The family is waiting in Uganda helping the Improsos, while Reagan returned to Addis Ababa to push the paperwork through. Praise the Lord, he is building relationships through this process. Pray the work visa will be approved quickly so the family can be reunited and begin Amharic language study.

**TCM-TIMOR** ~ Gomer & Nene Indino have returned to E Timor, since they were refused visas to visit the USA together. Pray TCM-Timor can achieve their goals:

- ◆ Secure a church lot and building in Dili, the capital city.
- ◆ Plant at least 1 new church every 2 years from 2025 – 2030.
- ◆ Disciple & train at least 12 local leaders in the same time span.

**Mrs. Trinidad Arcino**, mom of TCM missionaries **Aaron** (Timor) and **Pat** (Thailand), has spent the past year in E Timor voluntarily helping the work. Every morning and afternoon, she faithfully distributes gospel tracts at a seashore. Through her efforts 2 families accepted Christ. The Team and church members immediately followed up and started a Bible study. This area has 10 families from one clan whose eldest member is eager to host church related activities. Pray for a church to be planted!

**THAILAND** ~ Hallelujah! **Genesis & Verna Maraat's** work visas for Indonesia have been granted! They fly from Thailand on Oct. 9. Pray for a smooth adjustment, and ask God to pour out His love for the Indonesians through them. **Pat &**

**Adel Arcino's** 6 months of language study have enhanced daily interactions with locals. Studying Thai is challenging, but it has enabled a deeper understanding of Thai culture and beliefs. Through language proficiency, the Arcinos have been able to understand people's spiritual aspirations. Pat states, "They *NEED* to know our Savior!"

**CAMBODIA** ~ Chetra and Julia (Liles) Hong are preparing to visit the USA in Spring 2025. Pray their visa applications will be approved, Chetra will pass his driver's license test, and for a smooth transition as they hand over responsibilities and ministries to the new Chief Elder and other members of City Central Church.

**NEW TCM MISSIONARIES** ~ TCM has accepted 5 new GTCM-trained missionaries from the Philippines. **Villamor & Lourdes Balino**

are eager to serve with the Improsos in Uganda as part of Team E Africa. **Giram Bron**, a single woman, anticipates serving with Team Vietnam. These 3 expect to leave by early 2025.

Pray for health, safety, strong rapport, and prayer/financial partners as they share about their mission aspirations with churches in the

Philippines over the next few months. As Team missionaries, they raise 1/3 of their financial support from their home country, while the remainder comes from supporters in the USA. Giram says, "I can't deny, it feels overwhelming. This was not something I imagined for myself; yet I find myself here, with a deep desire to join God's rescue mission in bringing the gospel to the unreached. This is far outside my comfort zone, but I am certain this is God's calling, and I heeded the call."

**Ralph & Renalyn Fermintes** bravely voiced their desire to serve in Nepal! Pray for Ralph and Ben Anderson as they take a survey trip to Nepal in early 2025. Meanwhile, Ralph & Renalyn are active in established and pioneering church ministries as well as in the Tagum IGBI Bible school.

**DEPUTAION** ~ Pray for **Joel & Leah Sanders**

with their 3 kids, sharing in the NW church mission conferences. It's challenging to travel from place to place with a family and keep up with homeschooling as well. Pray for safe travels (their brakes went out in the Teton mountains!), for effective meetings and solid connections with churches/supporters. Joel asks special prayer for his relatives in an area of NC hit by Hurricane Helene. His uncle said in all his years working in emergency services, he has never seen anything like this! Pray

also for **Nathan Campos** visiting churches in the Midwest to raise support to serve in Brazil with his Brazilian wife, **Aline**. She was refused a visa to enter the USA so is waiting for him in Brazil.
