WHO WE ARE

Humanity

• We believe that God created the first man and woman in His own spiritual image and likeness. They disobeyed God, died spiritually and became subject to physical death. As their descendants, we are all sinners both by nature and by choice, and are totally unable of ourselves to do anything pleasing to God.

Savior.**

Tim Keller:

"The gospel is this: We are more sinful and flawed in ourselves than we ever dared believe, yet at the very same time we are more loved and accepted in Jesus Christ than we ever dared hope."
