Trusting God Completely

1. Trust God when others hurt you

- Gen 37:2b-8; 12,13; 17-28

2. Trust God when life is unfair

- Gen 39

3. Trust God while you are waiting

- Gen 40; 41:41

Conclusion:

Joseph trusted God when he was betrayed and sold into slavery, when he was falsely accused, and while he waited for years in jail.

God proved faithful every step of the way.

The same God who was with Joseph is with us today.

Challenge:

Whatever you're struggling with today, take that step off the ledge, give it to the Lord and trust Him completely.
