1 Maccabees 13:51

“On the twenty-third day of the second month, in the one hundred and seventy-first year, the Jews entered [Jerusalem] with praise and palm branches, and with harps and cymbals and stringed instruments, and with hymns and songs, because a great enemy had been crushed and removed from Israel.”

A future revolt in 132 BC by the Jews over the Romans would result in coins being printed with palm trees on them.

Palms branches = VICTORY!
