A Life on Mission

What does it mean to live on mission?

It means to live your everyday life as a divine assignment.

It's accepting the fact that you are God's missionary right where you live, work, learn and play.

A dirt path leads through tall, dry grass under a warm, hazy sky. The path is in the foreground, leading towards the horizon. The grass is golden-brown, and the sky is a soft, warm yellow-orange. The overall mood is peaceful and contemplative.

God will bring you into storms.

Your Challenge:

Pray:

"God, if You brought me to it, You're going to bring me through it. Reveal to me what I need to know more about myself and You!"

Embrace your storm. God's probably up to something good!
