A dirt path leads through tall, dry grass under a warm, golden sky. The path is in the foreground, leading towards the horizon. The grass is tall and dry, with some darker patches. The sky is a warm, golden color, suggesting a sunset or sunrise. The overall mood is peaceful and contemplative.

Boldly bring your needs to God.

What does it mean to live on mission?

It means to live your everyday life as a divine assignment.

It's accepting the fact that you are God's missionary right where you live, work, learn and play.
